THE OLD RULES ARE GONE. L.A.'S HOTTEST FLORAL DESIGNERS ARE CREATING ARTFUL BOUTUETS WITH INVENTIVE ELEMENTS LIKE CORAL, FLOWER PODS, AND PEARL

Toby Kassoy opened her floral design studio, Lilla Bello, in 2004 to provide premium custom floral designs using everything she loves to work with. "I even love the imperfections in flowers—they're real living things, it's part of their charm," she says. With an artist's eye for texture and color, Kassoy turns out creations that are fresh and natural with a twist. She loves to include an unexpected burst of color or juxtapose a velvety rose petal against the spidery tendrils of a rare orchid.
